PLATO 2.0 News:

June 21, 2017

Yesterday, the European Space Agency (ESA) announced the official adoption of the PLATO mission:

[planet-hunting-mission-moves-forward](#)

After a three year definition phase following the mission's selection in 2014, PLATO is now fit for implementation.

The PMC Board thanks you all for your support and excellent cooperation during these years and is happy to work with you on this fantastic mission in the next years to come.

Upcoming events:

05.-07.09.2017 PLATO Mission Conference 2017: Exoplanets in the PLATO era , Warwick, UK
